1-Calendar
2010 5th grade graduation

Create P2P calendar including Reading Day for 2009-2010 and send to Maya now.

The suggestion was made that Día de los Niños could become a joint activity school activity in 2010.

NMCS Leadership team meets 06/02/2009 and will discuss the 2009-1010 calendar.

2-Friday June 5th – computer training for parents in the computer lab at school for Liderazgo parents. – Nancy Rodriguez and Javier Bolívar will conduct training on:
- how to turn computer on and sign-up for and send/receive e-mails
-Eventually, teach Microsoft Word and Excel.

3-Humanities Exposed Grant Proposal - \$2,000 presented by Hilary Stewart.
Create a 5th grade website with the 5th graders doing interviews, taking pictures.

Computer education/art/history/writing
Optional for teachers to be involved or not?
When will this happen?
Maya will talk to staff members at the joint staff meeting.
Hillary will send an e-mail to the teachers

4-NMCS Leadership team – so far the meetings happen during the school day. But next year the meetings will be before or after school (Monday early release). The group consists of:

4-teachers
Emily Zoeller – literacy IRT
Sue Anderson – math IRT
Maya Martinez-Hart - Language acquisition team
1-NMI board member/Bryan Grau (also parent)
Sarah Meier – parent representative (also teacher)

Javier Bolívar, principal
Jim Radwell P.E. teacher – special’s teacher representative

To date the team has worked mostly on the SIP. Forward, they will be discussing language distribution/language model for all of the grades for upcoming school years.

The focus of the group is instructional/academic/curriculum.

5-Site Leadership Council is different from the NMCS Leadership Team. SLC consists of:

Teachers
Principal
NMI board
Parents

Notes/Questions

- ❖ Should NMCS leadership team and SLC meet together once per quarter.
- ❖ The SIP is the bridge between the Leadership Team and SLC.
- ❖ What role does the community have in the curriculum/academics at NMCS?
- ❖ SLC supports the academic part of the NMCS leadership team.
- ❖ How is NMCS going to support SLC?
- ❖ SIP is the heart of NMCS.
- ❖ A process needs to be developed to present things to the community.
- ❖ What are we all going to do to meet SIP?
- ❖ SIP must be introduced to the parents.
- ❖ SIP is written in educationese. The Leadership team should prepare a presentation to P2P/SLC about SIP.
- ❖ Suggestions to support SIP, phone calls go out in Spanish/English for every meeting and office prepare and distribute flyers.

We want to measure the tangible and intangible (meeting attendance, classroom volunteers)

6-Evaluation of SLC and NMI by surveying parents before the end of the school year.
